Upcoming Events

September 2010: The Centre for Transportation, the Centre for Information and Communication, and the Centre for Regulatory Affairs will each resume meeting in September 2010. Committee members will receive meeting notices from Gail Pellerin. Please contact Julia Stickel if you are not on a committee and are interested in joining one.

December 2-3, 2010: Plan to attend **The Calgary Region as a Transportation Hub**, to be held at the Coast Plaza Hotel in Calgary. Leaders from the transportation, distribution, air transportation, surface transportation, and warehousing industries will converge to determine how to sustain the Calgary region's competitive advantage as Western Canada's distribution hub. Click [here](#) to view the event flyer and to register. Sponsorship opportunities are available.

September 2011: Join us at the Hilton Hotel in Anchorage, Alaska for the fourth **Northern Transportation Conference** to be held September 19-20, 2011. Session topics will include resource development in the North, updates on major projects, and supply chain and logistics issues and challenges.

Research

The Transportation Association of Canada (TAC) invited Peter Wallis, President and CEO of the Van Horne Institute, to contribute an article to TAC's Summer 2010 magazine.

Peter writes about increasing awareness of the importance of transportation to Canadians in general and how a national policy review would promote the importance of transportation. Click [here](#) to read the article on page seven of the publication.
