Hugh MacDiarmid

President and CEO

Atomic Energy of Canada Ltd

“Seizing the Opportunity: Canada’s Nuclear Future”

AECL is a nuclear technology company and a proud part of our national legacy of world leading technical and scientific innovation. A number of forces have converged to put nuclear power back on the global agenda. It is an essential part of the energy mix. Canada is uniquely positioned to take advantage of this once-in-a-lifetime opportunity and reap the immense economic benefits. Nuclear power is the right choice for our nation and AECL has the right products and proven record of on-time, on-budget delivery.

About the Speaker:

The Prime Minister of Canada, effective January 2008, appointed Hugh MacDiarmid President & Chief Executive Officer of Atomic Energy of Canada Limited.

A native of Toronto, Mr. MacDiarmid comes to AECL with a broad range of executive and professional experience spanning his 30-year career. His focus has been on technology-intensive businesses and transportation-related industries, with extensive exposure to international commerce.

Mr. MacDiarmid currently serves as a director of ALH Holding Inc. He has also served on several boards in the high technology sector. In the public sector, he served as Chairman of the Board of the Public Policy Forum and Chairman of the Board of Trustees of the Ottawa General Hospital. He was also an appointee of both the Government of Canada, as Chairman of the External Advisory Committee on Smart Regulation, and the Government of Ontario, as a governor of Ortech International.
